BUILDING BRICKS

**Help remodel the basement of
The Benicia Public Library**

**Have your name permanently
inscribed in the
Benicia Public Library's
Eunice D. Jensen Rose Garden**

Building Bricks for the Benicia Library **Be a permanent part of the history of the Library**

After 15 years, the Library is expanding. The Library has always planned on remodeling the basement when the need arose. The basement now needs to be used for additional space to serve the community.

For the first time since the Library opened in 1993, bricks in the Eunice D. Jensen Rose Garden are once again available for purchase and inscription. Each purchase of a brick will raise funds for the basement renovation. If you did not have a chance to purchase a brick previously, or would like to purchase an additional brick, now is your chance to be part of the Library's history.

The cost of each brick is \$100

Purchase a brick: in honor of a friend or family member, in memory of someone special, as a gift for a person who has everything, to advertise your business, to honor an organization, or just because you want to support the Library basement project.

We are limited to how many bricks we can install in the garden. To be sure your name is included, use the order form on the back of this page to reserve your space now.
