

Troubleshooting

Cannot Open Book After Download

The License didn't download onto your computer.

1. Go back into Netlibrary and look up the title
2. Click Download This eAudioBook
3. Click Renew or Check out (No Download, only license to play).

Computer Will Not Allow You to Download

Your Anti-Virus is Blocking the Site

1. Go to tools...Internet Options...and select the Security tab.
2. Click on the Trusted Sites icon and the "sites" button.
3. Deselect the box on the bottom left that requires you to use an https: address.
4. On the top where there is an input box, type in the address "<http://www.netlibrary.com>" (without the quotes) and click add.
5. On the top where there is an input box, type in the address "<http://download.netlibrary.com>" (without the quotes) and click add.
6. On the top where there is an input box, type in the address: "<http://origin-download.netlibrary.com>" (without the quotes) and click add.
7. Choose Ok...and OK again. This completes adding the trusted sites.
8. Close all of your browser windows, and login to NetLibrary.

Requirements:

- Windows Media Player device with at least 512 MG & reads WMA file.
- Access to a computer with Media Player v9, 10, or 11.
- FM transmitter or Car adapter if for use in car.

To create a free account:

This must be done in the library.

Once you have a free account you may access and download Audio Books from any computer.

1. Go to: www.BeniciaLibrary.org
2. Click on E Audio Books under Readers BookSpace.
3. Click on NetLibrary.
4. Click on Create a Free Account.
5. Fill in required fields.
Password = anything at least 6 characters long
6. Click Create Account.

At Home

1. Create a folder in My Documents or on your desktop called Audio books or something you will remember. It will make it easier to find the book(s) to download onto your media player.
